White copy-Dealer
Pouch-mail pink copy to "TIS techstream Orders" at TMS S203.

Form is populated automatically – custom generated for each dealer. If you discover an error or have questions about the order, call 1-800-368-6787.

Please fill out the gray shaded boxes, with the responsible dealership executive adding optional units and wall mount if desired.

Ensure that the order has been accurately totaled.

Select dealer payment preference:

- **Parts account billing** – The dealer is billed **directly** through parts account for the total amount in one month.
- **30/60/90 parts account billing** – The dealer is billed in one-third increments through their parts account over a three-month period. There is a two-percent surcharge with the first billing.
- **Direct billing - net 30** – The dealer is billed directly and expected to pay the balance within 30 days of receipt of the invoice.
- **Lease*** – A monthly invoice is issued directly to the dealer and due on the first on each month.
 Estimated cost/unit:
 - 24 months – \$292/month
 - 36 months – \$203/month
 - 48 months – \$160/month

Fax the order to ADE and pouch-mail the pink copy to "TIS techstream Orders" at TMS S203.

The dealership executive responsible for this purchase should sign the form.

*Financing subject to final credit approval and terms of Lessor's preferred contract form. First & Last payments due at lease inception. Monthly payment examples are based on approx. price for one unit of \$6,395.00 USD. Taxes, other charges and costs of financing, such as UCC fees, are extra. In the event of a default, finance charges and late charges at a rate of 12%, may be due if allowed by law. Lease rates subject to change in the event of Treasury market rate increases. This opportunity is available to US and Canadian new Car Dealerships only. Finance charges begin to accrue based on lease inception.
